The showcase is designed to provide an opportunity to market well broke working ranch horses.

The emphasis is on the experienced and reliable working horse either registered or grade.

The auction company will provide an enhanced marketing opportunity for these preferred horses both through sale advertising and the individual showcase on sale day.

On sale day each entry will have 8 minutes working time in the outdoor show arena. The entries will be allowed to demonstrate their ability to perform daily ranch chores.

It is recommended that riders demonstrate the willingness of the horse to be bridled, have its feet lifted for shoeing or trimming and show acceptable ground manners.

It is recommended that riders perform a modified reining pattern to exhibit the horse's response to the bridle commands. This should consist of left and right circles, left and right rollbacks, spins and stops. The order of these maneuvers is at the rider's discretion.

Each entry will be provided with a group of suitable yearlings to demonstrate the cow working ability of the horse. It is recommended that the yearling be boxed on the short end of the arena, turned at least once each way down the long side of the arena. To show off pasture roping, head one of the yearlings supplied. We will provide a heeler, and you can tie off.

Riders are reminded that the yearling should not be choked or drug. This is an opportunity to showcase your horse and your stockmanship. Use your time and exposure wisely. Any animal abuse will not be tolerated.

The rider will be responsible for use of the 8-minute time allotment. Each entry will be given a warning when 3 minutes are remaining.

The above suggestions are guidelines to demonstrating each entry. The rider will be the best judge of how to high light the horses talents. As each horse performs the auction company will endeavor to provide commentary to the public to increase the value of the horse both in the arena and the sale ring.
