1400 SHORTY

Shorty is an 18 year old Sorrel grade Q.H. He has been with us for the last 12 years. He has been used to chase cattle down the alleys and has had experienced and inexperienced riders on him. Used to gather cattle on as well. He is pretty reliable and we're sad to see him go! For the last year he has been used for pleasure riding as he gets a little sore in his knees! He hasn't been rode much lately and we just saddle him up and he just rode off. He is extremely friendly and has a fun personality!

Quantity: 1

1405 SMOKE

Grade 16 year old grey QH gelding. Used for several years chasing cattle down the alleys. Smoke is an easy keeper as you can see.

1410 DQH OAKWOOD LYNX

What a big strong girl this striking filly is turing out to be. She is SOLID with the bone and foot she has inherited from her sire LSR Forrest and should have some good height passed down from her dam. She goes back to Doc's Lynx and PC Bransin on the bottom side. This filly should be an asset to any ranch or family program. She will be able to drag a calf to the fire all day long and then go play on the weekends. She is halter broke, been tied and is extremely friendly.
