11. Please view all terms and conditions in the regular sale, this will apply to all Ranch Showcase Horses and prospects.

The showcase is designed to provide an opportunity to market well broke working ranch horses.

The emphasis is on the experienced and reliable working horse either registered or grade.

The auction company will provide an enhanced marketing opportunity for these preferred horses both through sale advertising and the individual showcase on sale day.

On sale day each entry will have 8 minutes working time in the outdoor show arena. The entries will be allowed to demonstrate their ability to perform daily ranch chores.

It is recommended that riders demonstrate the willingness of the horse to be bridled, have its feet lifted for shoeing or trimming and show acceptable ground manners.

It is recommended that riders perform a modified reining pattern to exhibit the horse's response to the bridle commands. This should consist of left and right circles, left and right rollbacks, spins and stops. The order of these maneuvers is at the rider's discretion.

Each entry will be provided with a group of suitable yearlings to demonstrate the cow working ability of the horse. It is recommended that the yearling be boxed on the short end of the arena, turned at least once each way down the long side of the arena. To show off pasture roping, head one of the yearlings supplied. We will provide a heeler, and you can tie off.

Riders are reminded that the yearling should not be choked or drug. This is an opportunity to showcase your horse and your stockmanship. Use your time and exposure wisely. Any animal abuse will not be tolerated.

The rider will be responsible for use of the 8-minute time allotment. Each entry will be given a warning when 3 minutes are remaining.

The above suggestions are guidelines to demonstrating each entry. The rider will be the best judge of how to high light the horses talents. As each horse performs the auction company will endeavor to provide commentary to the public to increase the value of the horse both in the arena and the sale ring.

**LILLY**

Grade QH Bay Mare DOB: 2021

Lilly is a nicely put together mare with a gentle disposition who is ready to be taken in any direction! She is a great ranch/ rope horse prospect and kind enough to be a kids horse one day. In her 45+ days of riding she has been exposed to all sorts of ranch life. She's been hauled to the arena and followed steers out of the box, ridden through pairs during calving season, drug the calf sled, been harnessed and pulled a light stone boat along with general riding around the ranch. Lilly is good with farm equipment, dogs running under foot and will even side step over to the fence to pick you up for mounting. She's got a great mind with a lot of try and in no time will be ready to drag calves to the fire for you this branding season!

QUEEN'S CAT

Face-Off is an all around rope horse who has been used for both heading and breakaway roping. Whether you are an eager beginner, a seasoned competitor, or just looking to step up your roping game, this horse is the one you want! Has been used for both heading and breakaway roping with solid consistency. Has most recently been used in breakaway at all levels including amateur, college, and CPRA rodeos. Has been used for mounted shooting and ranch work. Has been used as a practice horse for farrier competitions on multiple occasions. Travels like a dream, calm and collected, no hassle loading or unloading. Eats and drinks well and is not herd or trailer bound. Extremely good-natured, easy to handle, and is suitable for any level of rider. Sound and sturdy and requires no maintenance. Exceptionally good feet and makes no difference if he has shoes or not. Works well with any bit you put in his mouth. Videos and photos: See Kijiji ad for "Face-Off Rope Horse for Sale" in Lethbridge.

**SPARTAN**

Grade QH Black Gelding DOB:2020

We bought Spartan as a weanling. He grew up into a big beautiful gelding. My girls started him as a two year old he was pretty easy going with a few little temper tantrums. We have used him mostly to chase cows from pasture to pasture. He is always willing to learn new things. My girls have shifted more to barrel racing and Spartan needs to go to a home where he can increase his potential. He is a very strong friendly giant. He is still learning and he would need an experienced rider on his back. He was born from JD Sporthorses near Galloway BC. He is out of Austin's Command. He was born January 9 so he has been strong from day one.
