Grade QH Black Gelding DOB: 2021

Benny will definitely make a kids horse if he isn't already. Very good disposition, not a mean bone in his body. Four good solid black feet. Potential for barrels as his sire had running blood. Would consider him an all around family horse that the kids can ride and dad can take out to check the cows.

Javier is a 8 year old gelding, standing approx. 14.3HH. He has been used for all aspects of ranch work including brandings, sorting, and doctoring. He has a quiet disposition and is good to be around other horses. He is easy to trailer and stands well for the farrier. His one quirk is that he can be cinchy with time off, but with a little warm-up, he is good to go. With that being said, an experienced rider is recommended.

If you're looking for a packed pedigree look no further. This mare has had 3 foals that we are aware of and throws athletic, good confirmation and speed into her foals. We have used her to move cows, trail rides and ponied other horses off of. Have doubled with kids and had kids go on short rides on her. Can go into any herd dynamic and is higher in the pecking order. Byrd needs a more confident rider as she likes to move out. Is smooth in her stride. Has ridden Western but could go English. His latest being DQH Cielo Dell Rio being voted the Mb High School Rodeo Horse of the Year for 2024. His Dam comes from the Mile 77 Quarter Horses program and has been an excellent producer for us. She traces back to Nu Chex To Cash, Miss N Cash and Haida Little Pep to name a few. This mare was our high selling foal last year crossed on Cooper our Frenchman's Guy bred stallion and this cross is looking to be just as good. This colt is built to last and he is sure going to look fancy doing what ever task you set him to We are members of the up and coming Legends of the Prairie Rope and Barrel Racing Futurity and all of our foals are eligible to be nominated into the program.

We purchased this mare from Laurie Lehne in 2020 to bring a shot of speed to the table to cross on our Peppy San Sun Frost aka Cooper stallion. Her first foal for us sold privately so this will be the first time bringing one of her foals to be presented to the public. Take a look at this big shapely palomino colt The Cooper babies have been doing well in the barrel pen as well as all round family and ranch horses. This colt should have the speed, good bone and size to excel in what ever direction you want to take him We are members of the up and coming Legends of the Prairie Rope and Barrel Racing program Futurity and all of our foals are eligible to be nominated into the program Contact Donna @ 204-529-2515 or 204-245-0655.

Here is a nice solid colt who is ready to take you any direction you want. He's an "In your pocket" type who loves attention. He has a calm curious mind that should transition well into training. His sire DQH Mia Rooster Two aka Jagger is a money earner himself and his offspring have been following in his footsteps in the rodeo arenas, tie down roping, break away and team roping across the country and into the US. His latest being DQH Cielo Dell Rio being voted the Mb High School Rodeo Horse of the Year for 2024. His Dam is a daughter of our Peppy San Sun Frost stallion. She goes back to some old time run on her bottom side. We are loving this cross and are getting rave reviews from past owners.

What a big solid colt this guy is. Bone, size, conformation He has it all wrapped in a lovable, just wants to be your friend package. The Cooper babies are always well received and this guy will not disappoint who ever is lucky enough to take him home. Ranch, Rope, Barrel Race and all round family horses are what Cooper has been producing for us. To top this off he is out of a daughter of our DQH Mia Rooster Two aka Jagger stallion who as well as being a money earner himself has been producing sons and daughters who are excelling in the rodeo arenas across Canada and the US. His latest accolade is to have a son voted the Mb High School Rodeo Horse of the year for 2024 This colt has the whole package to take you to the top where ever you may go with him. We are members of the up and coming Legends of the Prairie Rope and Barrel Racing Futurity and all of our foals are eligible to be nominated into the program.

This filly is by Peppy San Sun Frost and out of the second speed bred mare we have in the program. She is from Ken McFarlane's program out in Sask. I am the first to say that I do not have a lot of experience with the speed bred lines. Info from Ken states that "Fire Inside SI 103 Stakes Winner is a full sister to Eysa Royal Rumor. Also Royal Rumors has a

SI 96 Stakes Winner, AQHA Superior Race Horse and is the dam of race and barrel winners " Ken has been my go to mentor as we have tried this new to us line and we value and thank him for his knowledge and guidance We are very excited to see what they can do when they come of age. The Cooper babies are ranch, rodeo and all round family horses. They are also doing well in the barrel pen The first from this cross is in California and they are very happy with her. Last years filly stayed local and we can't wait for it to hit riding age. We do our best to keep up with buyers as much as possible to make sure that the crosses are working as we hope and so far this cross looks like it should work. When long time friends Gordon and Gladys Mason who are 58 year AQHA breeders decided to let the last of their mares go we decided this mare had to become part of our program They had bought her as a baby from the Leptch Family program and she boasts a strong foundation pedigree that we felt would do well in our program. The mare arrived home here on a Wednesday evening and she presented us with this girl on the Saturday morning This pretty buckskin filly is by the Mason's Two Eyed Jack/ Wimpy bred stallion and is a stout using style filly that should be able to go any direction you please. This mare is bred to Forrest for a 2025 baby and we look forward to crossing her with Cooper for 2026

Grade QH Sorrel Gelding DOB: 2022

Spice is a 2yr old grade quarter horse gelding. If you are looking for a super quiet level headed colt this is your guy. Spice has been one of the easiest colts we have started. After 30 days of training he moves around the arena smoothly and quietly with a low head carriage. He gives to your hands and will move off your leg when asked. Spice has had a rope swung on him and without issue will stand quietly for you to throw shots on the roping dummy.

Spice is built straight with a pretty face, big hip and a very pleasant personality and will meet you at the gate to be caught. Will mature to approx. 15hh and is sure to not disappoint. Spice is up to date on shots, worming and farrier work
