- 1385** Air Compressor
Quantity: 1

- 1390** MAXair Premium Air Compressor

High-performance, industrial-grade air compressor designed for heavy-duty applications. Delivering 18.5 cubic feet per minute (CFM) at 175 PSI, it provides ample power for demanding tools and equipment. Its cast-iron pump ensures durability and long service life, while its thermal overload protection prevents overheating. Ideal for workshops, automotive tasks, and construction sites, this compressor combines reliability with efficient airflow, making it a top choice for professionals who require consistent and powerful air output.

Quantity: 1

- 1395** Radial Arm Saw
