4. Horses nominated to the showcase cannot be withdrawn without acceptable veterinary documentation. Entry fee is non-refundable.
5. Registered horses must have all original current registration paperwork accompany the entry including a signed transfer.
6. The auction company reserves the right to decline any entry that does not meet minimum standards of compliance. Any entry may be declined at the discretion of sales management
7. Horses will be demonstrated and sold in the same order. Order will be determined by sales management.

11. Please view all terms and conditions in the regular sale, this will apply to all Ranch Showcase Horses and prospects.

The showcase is designed to provide an opportunity to market well broke working ranch horses.

The emphasis is on the experienced and reliable working horse either registered or grade.

The auction company will provide an enhanced marketing opportunity for these preferred horses both through sale advertising and the individual showcase on sale day.

On sale day each entry will have 8 minutes working time in the outdoor show arena. The entries will be allowed to demonstrate their ability to perform daily ranch chores.

It is recommended that riders demonstrate the willingness of the horse to be bridled, have its feet lifted for shoeing or trimming and show acceptable ground manners.

It is recommended that riders perform a modified reining pattern to exhibit the horse's response to the bridle commands. This should consist of left and right circles, left and right rollbacks, spins and stops. The order of these maneuvers is at the rider's discretion.

Each entry will be provided with a group of suitable yearlings to demonstrate the cow working ability of the horse. It is recommended that the yearling be boxed on the short end of the arena, turned at least once each way down the long side of the arena. To show off pasture roping, head one of the yearlings supplied. We will provide a heeler, and you can tie off.

Riders are reminded that the yearling should not be choked or drug. This is an opportunity to showcase your horse and your stockmanship. Use your time and exposure wisely. Any animal abuse will not be tolerated.

The rider will be responsible for use of the 8-minute time allotment. Each entry will be given a warning when 3 minutes are remaining.

The above suggestions are guidelines to demonstrating each entry. The rider will be the best judge of how to highlight the horses talents. As each horse performs the auction company will endeavor to provide commentary to the public to increase the value of the horse both in the arena and the sale ring.

Tess is a well-broke mare that has done almost every aspect of ranch work. Was used extensively for doctoring yearlings in Wyoming. She is very cowy and has a lot of grit. She's calm with a green rider, but also wakes up to get the job done when needed. She does need shod regularly due to an old injury in her right front foot. However, if her shoeing is kept up to date she is a good using horse and will get the job done! Good on the rope and has lots of talent!

This mare has done it all on the western side of the equine industry. She has been used in the feedlot, out on pasture to rope and treat cattle, used in many branding pens, and taken to the mountains to trail ride and hunt off of. In the arena she is a finished head horse with all kinds of speed, she has team penned, has been sorted on and has buckles to show it. She has carried flags in grand entries and rode in parades, as well as she went to many reining clinics as a youngster. Finally, she is a horse that anyone can ride and has given many people their first riding experience. Ride her every day or every couple months and she is the same horse. Good with bath, clip, trim and load. Great horse for the whole family.

Grade QH Sorrel Gelding DOB: 2016

Levi - 10 Year old grade gelding stands 14'3 Levi is ready to find his next family! Roping, cows, mountains & arena this handsome 10 year-old gelding is the perfect all-around horse with the talent and versatility to go in multiple directions. Levi is capable of ranch riding, pleasure classes, and is always willing to do whatever is asked of him. He has a great mind, kind disposition, and is suitable for a youth rider looking to learn and grow. He absolutely loves cows and has spent time on cattle roundups and doing some sorting as well as working in a feedlot riding pens. Well broke in and out, he is not fancy by any means but moves off leg, half collects, grabs his leads and stops nice in the arena. Been used at the feedlot, been roped off of and has been to the Ya Ha. Is a great solid mountain horse for anyone, Levi is safe to sit for long periods, he has absolutely no buck bolt or rear, Levi has some go, I don't find him hot but he is not lazy, small enough and solid enough for an older rider wanting a no BS sort of ride or something to pull out of the pen when you need to go run your cow down. Great for farrier, goes bare or shod. Teeth done in December, feet were just trimmed beginning of April.

ROAN LAKOTA BARK

This outstanding filly combines a gentle temperament with proven ranch and performance genetics. Both sire and dam are well-used ranch horses, known for their sound minds, reliability, and easy-going disposition. She is halter broke, easy to handle, loads confidently into a trailer, stands well for trimming, and has been raised in a herd, giving her a strong social and practical foundation. On the dam's side, PC Bar Dox Frost is a full brother to PC Tully Frost and a son of legendary Sun Frost from the renowned Cowan program. A 3/4 sister to Turkey Lakota Frost recently sold for \$26,000 US at the Art of the Cowgirl Sale, underscoring the strength of this maternal line. On the sire's side, Turkey Dash King brings the respected Jaz Ranch breeding, known for producing quiet, dependable, and versatile horses suited for both ranch work and everyday riding. With her pedigree, disposition, and solid early handling, this filly is an excellent prospect for ranch work, performance, or as a dependable all-aroundhorse.
